

RANGECON MISSION STATEMENT AND VALUES

Our mission is to build a sustainable industry leading business that safeguards, complements, delivers and pursues excellence through engaged employees to ensure a zero-harm environment.

Our Values

Safeguard

We believe in zero harm, and will continually safeguard our employees, clients, visitors and the environment against any form of workplace incident.

Complement

Our aim is to be your strategic partner, to complement and support your teams, to enhance your project and facilitate positive outcomes.

Deliver

We are dedicated to delivering your project, adding value wherever possible, we have built our business on tackling the tough jobs.

Pursue

Constantly striving for excellence, we will pursue continuous improvement in all areas.

Engage

Engaging our employees is key to our business and will enable us to maintain a viable, profitable business long term.
